Great minds choose *Back to Basics*.

1-ON-1 TUTORING IN 60+ SUBJECTS

We provide tutoring for students ages 3 through 103 in subjects from basic reading, math, and study skills, to calculus, anatomy, art and enrichment programs. Our students have a broad range of abilities—whether gifted, diagnosed with learning challenges, or simply in need of some academic support.

1-ON-1 TEST PREPARATION

Our experienced tutors provide 1-on-1 test preparation for SAT, ACT, HSEE, and more. We offer 32-hour or 16-hour SAT or ACT packages that are tailored to the needs of each student, and designed to build knowledge, teach strategies, reduce anxiety, and increase confidence.

1-ON-1 SUMMER OPTIONS

For elementary and middle school students, we offer all subjects to fulfill school requirements. For high school students, we provide original credit and credit recovery for all high school core courses, as well as highly customized “boot camp” courses to help students prepare for testing and college admissions.

1-ON-1 PRIVATE SCHOOL

We offer Delaware’s only Department of Education approved 1-on-1 Private School for K-12. Our 1-on-1 approach provides students with instruction in all courses and helps to elevate self-esteem through personal, customized instruction.

TRANSLATION & INTERPRETATION SERVICES

We offer high quality translation and interpretation services in 16+ languages for schools, state agencies, hospitals, medical practices, and companies of all sizes. We help school easily exchange information at parent-teacher consultations, IEP meetings, as well as other school appointments, documents, and reports.

FAMILY-FRIENDLY SCHEDULES & LOCATIONS

We tutor in the student’s home, school, daycare, summer camp, office, or at our two Educational Centers in Wilmington or Newark. We work directly with the parent or adult student to schedule sessions before, during, or after school or work. We even tutor seven days a week!

SUPPORT SERVICES FOR SCHOOLS & AGENCIES

We provide critical services to schools, districts, and state contracts, including psycho-educational testing, homebound instruction, remedial reading programs, RTI support, ELL instruction, and more. All programs are fully customized to the unique needs of each entity.

GUARANTEED TUTOR MATCHING FOR YOUR CHILD

We know that students learn best when they can establish rapport with their tutor. We customize how we match each student to their tutor based on learning styles and specific educational needs— and we guarantee the match.

A commitment to 1-on-1 teaching has always differentiated Back to Basics Learning Dynamics. While others use phrases like “individualized attention” or “personalized learning” to fool you, none of this means or creates results like customized 1-on-1 tutoring. Back to Basics pairs one tutor and one student, with careful matching of both teaching and learning styles. Our tutors work with students, parents, teachers, and sponsors to help the student achieve maximum success.

HOW HAS BACK TO BASICS BECOME OUR REGION'S LEADER IN EDUCATIONAL SERVICES FOR OVER 30 YEARS?

Research shows that students learn best when they are engaged, challenged, and monitored.

Franchise operations and online tools are no match for the results that a personalized, highly trained tutor can deliver.

Back to Basics is:

PERSONAL

Our tutoring programs are customized to match the student's learning style and specific needs. We guarantee that the 1-on-1 tutor selected will be a match for your child!

RESULTS ORIENTED

Our faculty 'know the ropes' as experienced professionals with teaching certifications and/or advanced degrees. Many have achieved perfect scores on the SAT or ACT. *This is NOT your nephew with an iPhone.*

CONVENIENT

We do our best to schedule around YOUR busy life. We tutor seven days a week in your home, local library, day camp, or wherever you are. We also operate two convenient learning centers to serve you.

VALUE-DRIVEN

We offer the industry's highest quality services, helping students to raise scores, grades, and self esteem. *And that is PRICELESS!*

A PROVEN SUCCESS

Our reputation precedes us. We've served over 20,000 students as well as the state's private, public and charter schools for over three decades. Our customers value our team and services, and return year after year.
