

A lot can get lost in translation. **Back to Basics spells success in any language.**

TELEPHONIC & VIDEO INTERPRETING

We facilitate interpretation services nationwide with our Telephonic and Video Interpretation platforms. Our "On Demand" feature allows users to connect to a qualified professional interpreter at a moment's notice, while drastically reducing your Language Service costs and providing the ultimate scheduling flexibility

FACE TO FACE INTERPRETING

Our highly qualified interpreters facilitate understanding and communication in a culturally appropriate manner for important meetings, medical appointments and consultations, conferences, parent-teacher consultations, appointments, graduations, and to assist visiting foreign language speakers.

DOCUMENT TRANSLATING

Our experienced document translators quickly and correctly translate vital documents, manuals, web pages, correspondence, annual reports, and other required school documents.
