EXPLORE OUR OPTIONS TO **KEEP LEARNING FRESH** DURING SUMMER 2019.

College Admissions Boot Camp

Rising 12th Graders

The college admission process is like a full-time job. Spend a week getting ahead with us this summer. In five days, we'll coach you to complete the Common App, write a top-notch essay, organize your resume, and organize to-do lists that will help you to be successful this fall.

SAT Boot Camp

10th -12th Graders

Not sure what to expect at the SAT test? Already taken the test, but want to focus on a specific area for improvement? Students will take a practice test, then review results with experienced SAT instructors. Students will leave with test-taking strategies, tips, and tricks to help them in their test preparation.

Spanish Refresher

8th - 12th Graders

Is your child ready for high school level Spanish? Worried they have forgotten what they learned last year? Spend a week refreshing the foreign language basics through listening, reading, writing, and speaking activities with our expert Spanish instructors.

Studying for Success

8th - 12th Graders

Help your child prepare for the upcoming school year by learning to study more efficiently and effectively. Our program demonstrates the crucial keys for success: organizational skills, test-taking strategies, time management, note-taking, reading for meaning, memory techniques, and goal-setting.

Back to Basics is the only call you need to make to help students in the tri-state area build confidence and educational skills in summer. With more than 33 years of experience, you can count on our team to make learning relevant, rewarding, and fun.

Summer learning should be **CONVENIENT, CONSISTENT & FUN**

Back to Basics is excited to offer high school summer programs at three locations this summer: **Kennett High School**, in Kennett Square, PA; **A.I. DuPont High School** in Wilmington, DE, and **our headquarters**, conveniently located near the Augustine Cutoff in Wilmington.

Our summer programs offer your child the opportunity to focus on success—through college preparation or through academic preparation for the upcoming school year. And our experienced tutors will personalize their approach with each group to keep students engaged and focused.
